The Surety, for value received hereby stipulates and agrees, as and when requested to do so by the City, up to the penal sum of this Bond, (1) to pay the City the costs the City incurred to complete the work specified herein to be performed under Principal's permits pursuant to their terms, conditions, and covenants (the "Permitted Work"), if the Principal, for any cause, has failed or neglected to fully perform and complete such Permitted Work, including repair and maintenance thereof, (2) fully complete the Permitted Work, and/or (3) to pay any fines, fees, or penalties imposed on the Principal as a result of its failure to comply with and conform to the conditions of all permits, including all laws, rules and regulations concerning the Permitted Work. If the City requests the Surety to complete the Permitted Work, the Surety (Sureties) further agrees to commence and diligently perform the Permitted Work specified in the permits and this Bond, including physical site work specified herein within twenty-five (25) business days after written notice hereof from the City and to complete all Work within such time as the City may require. If the City elects to require the Surety to make payment under this Bond for the costs the City incurred and/or for payment of fines, fees, or penalties, such payment shall be made within a reasonable time period. The Surety and the City reserve all rights and defenses each may have against the other; provided, however, that the Surety expressly agrees that its reservation of rights, including challenging the City's determination that the Principal failed or neglected to fully perform and complete such Permitted Work, shall not provide a basis for non-performance of any obligation provided herein.

The Surety, for value received, for itself and its successors and assigns, hereby stipulates and agrees that the obligation of said Surety and its Bond shall be in no way impaired or affected by any extension of time, modifications, omission, addition, or change in or to the said permits or the work to be performed thereunder, or by any waiver of any provisions thereof, or by any assignment, subletting or other transfer thereof or of any work to be performed; and said Surety does hereby waive notice of any and all of such extensions, modifications, omissions, additions, changes, waivers, assignments, subcontracts and transfers, and hereby expressly stipulates and

agrees that any and all things done and omitted to be done by and in relation to assignees, subcontractors, and other transferees shall have the same effect as to said Surety as though done or omitted to be done by or in relation to said Principal.

It is agreed that this Bond becomes effective on the date set forth above and shall continue in force the entire calendar year or until terminated as provided herein. The dates covered by this Bond may be extended for successive annual periods; all such extensions to be evidenced by a continuation certificate duly executed by an authorized representative of the Surety and the Principal. The Surety's liability shall not be cumulative from year to year. Any claim made under this Bond shall be applied against the penal sum in effect during the time period of the Bond in which the permit covering the work that is the subject of the claim was issued. In addition, it is understood and agreed that this Bond includes the Principal's guarantee of the work performed in connection with any permit received during the time period that this Bond is in effect.

This Bond shall be terminated on a date specified in a written notice given by the Commissioner of Transportation of the City of New York to Surety and Principal or by a written notice of at least thirty (30) days given by the Surety to the Commissioner of Transportation of the City of New York at 55 Water Street, 9th Floor, New York, NY 10041 and the Principal by certified mail.
