### IMMEDIATE ATTENTION REQUIRED

We recently reviewed the information submitted in your online Motor Vehicle Dealer renewal in which you certified that you sold **61** vehicles during the previous calendar year (2021) and that you have a continuous bond in the correct amount. A review of your facility record shows you currently have a **\$20,000** bond in effect and due to a March 28, 2017 change in the Vehicle and Traffic Law you now need to change your bond amount.

You will need to contact your bonding company and provide us with a copy of your new bond or a copy of the rider of the existing bond demonstrating that your bond is in the proper amount as described below.

\$20,000 – Retail or Wholesale Motor Vehicle Dealer (other than New) that sold 50 or fewer vehicles in the previous calendar year (2021).

\$100,000 - Retail or Wholesale Motor Vehicle Dealer (other than New) that sold more than 50 vehicles in the previous calendar year (2021).

New bonds or riders must be received within 30 days of the date of this letter and can be sent by mail, fax or e-mailed to my attention. **Failure to comply will disrupt future MV-50 orders, Verifi transactions, facility renewals, and dealer plate transactions; and may result in the suspension or revocation of your dealer license.**

Sincerely,
